

The National Federation of Licensed Practical Nurses, Inc. would like to recognize the following practical nursing students, educators, and schools for their support of NFLPN's Student Honor Society recognition program. Each student was recognized by NFLPN for their efforts in maintaining a 3.0 or better GPA while attending the PN program at the supporting schools. Additionally, NFLPN recognizes PN educators who make great strides to mentor their students in becoming quality professionals in the practical nursing profession. NFLPN would also like to praise the PN schools that promote the only national organization for LPN/LVNs and an additional nod of appreciation to those who have become student chapters of NFLPN. Our success begins with our students, so let us praise the exceptional effort these students have made. Congratulations on your success and receipt of the NFLPN Student Honor Society certificate and lapel pin!
